

Book One: The Outskirts (The Mark of Shar: Demons Rise 1)

Erika Brushwood is a sharp-shooting vigilante who has spent the better part of a year hunting her cousin across the Stonespyre Valley. The trail has led her to The Outskirts, a desolate slum of a town overrun by bloodthirsty bandits. The young archer knows she will find her mark in the Cellars, but the Knight Commander, Jeremiah Waldrich, will do everything he can to stop the hot-headed teenager from starting a war with the Shadow Clans. Carrying little more than a longbow and a superiority complex that may one day get her killed, Erika Brushwood puts a plan into action that could spell disaster for this tiny frontier town.
