

## Scheherazades Facade

For starters, honey, I don't believe in Hell--that's just some old man's way of telling me reasons why I can't be me. Like biology is destiny means I have to be a boy. -- Lady Marmalade's Special Place in Hell by David Sklar There have always been stories of those willing to blur or transcend the traditional gender roles. Some do it out of necessity, others are merely embracing their true selves. Sometimes it's for fun, other times survival. Every culture has their gender benders, their cross-dressers, their rule breakers. From Bugs Bunny to Mulan, Alanna of Trebond to Klinger, our folk heroes and cultural icons push boundaries and challenge expectations. In Scheherazades Facade, twelve of today's most intriguing authors spin tales of magic, mystery, self-discovery and adventure, each with a twist. In these pages you'll find shape-shifting dragons, triumphant drag queens, tragic selkies, lost princes and would-be warriors. You'll find star-crossed lovers and mysterious travelers, cross-dressers and gender bending heroes of all sorts. Featuring all-new fantasy and urban fantasy from Tanith Lee, Sarah Rees Brennan, Tiffany Trent, Aliette de Bodard, Alma Alexander, David Sklar, Melissa Mead, C.S. MacCath, Paolo Chikiamco, Sunny Moraine, Lyn C.A. Gardner, and Shanna Germain.
