In comes Lucas Edge, CEO of Edge Consulting and bad boy billionaire corporate master mind. He was looking for a woman who understood dark, searing cravings and he believed Alyssa Fox had everything he wanted in a submissive. Would his image be shattered when he finally gets to meet her? He buys the publishing company handling her titles in order to get closer to the enigmatic temptress. Whether she would fit his mold of potential toy remained to be seen. Alyssa Fox is shocked to find herself pursued by the gorgeously wicked billionaire. She believes she's nothing like the women he was used to. And then she realizes he's built a whole different image around the woman writing those steamy series. Determined to ensure he is not disappointed, Alyssa has the choice to delve into his world and fulfill his fantasies - and hers. Or run away before she is forced to make the biggest blunder that would shatter far more than her reputation...
