

## Break a Leg, Darlings (G K Hall Nightingale Series Edition)

Mystery Large Print Edition Trixie Dolan and Evangeline Sinclair have always accepted that it might occasionally be necessary to suffer for their art but they draw the line at dying for it. Fearlessly, they trawl through the pub theatres and eccentric venues of the London fringe in their search for a new play to star in. How could they imagine that their innocent quest would lead them into danger? They never suspect that, while they are stalking a likely playwright, a merciless killer is stalking them.
