

## Breather

From the mind of Graeme Base, the award-winning creator of Animalia, The Eleventh Hour, and The Waterhouse, Arcana Comics is proud to present Breather! On the distant planet of Otarius, invaders from the Birshh Dynasty have captured and enslaved the native Otarians. Pushed on by the ruthless Governor, timid Dr. Bjrook conducts horrific experiments to create a superior breed of slave. Years later, Birshh-Otaran hybrids are raised in captivity, dependent on breathers - life-saving gasmasks that filter the Otarian air they, as hybrids, cannot tolerate. Two siblings, Dhrmmn and Lilli, strive to prove themselves worthy of the Dynasty and earn privileges for their half-breed kind.
