

Brooklyns Finest: A Trapgirls Love Story

Kaienne and Sydney are the daughters of the biggest kingpins in Brooklyn. Their family's legacy is huge and they refuse to let anyone bring them down. When Kai falls in love with Zion, who is nothing but bad news, he brings hell to their family by becoming a rat in prison. When Zakai and Saint are taken from their daughters, Syd and Kaienne are on a do or die mission. They are ready to put on their big girl panties and continue running their fathers empire. Kaienne is ready to move on from the past and the problems that Zion has brought to her and her family. Learning how to trust again and open up, she finds herself falling in love with Malik. Malik is an established drug dealer in the city who has been there for Kai no matter what she has thrown at him. When Zion is released from prison, he refuses to let Kai be happy. Is Malik ready to feel the wrath of Zion because of his love for Kai? Or is he ready to back down? Meanwhile, Syd is getting serious with Dean, something she hasn't done in a long time. Dealing with exs and the drama has never been her thing, but it seems like Dean is a package deal. A stalking ex that can't seem to accept the fact that he has moved on and will do anything to be on his arm again. Is Syd ready to go through the drama with Dean or is she just going back to her old ways and remain the Syd she has always been.
