

Bundle: Essentials of College Physics (with CengageNOW 2-Semester, Personal Tutor with SMARTHINKING Printed Access Card) + Enhanced WebAssign Homework ... Access Card for Multi Term Math and Science

ESSENTIALS OF COLLEGE PHYSICS is a streamlined version of Serways market-leading College Physics text, using the same clear and logical presentation of the concepts and principles but providing a slimmer and more affordable alternative for instructors looking to focus on the core concepts. By integrating the guiding principles of physics education research and including unique just-in-time quantitative problem-solving features, the text strikes a balance between problem-solving support and conceptual understanding. Math Focus boxes and a unique Math Appendix provide your students with an opportunity to master their numerical problem-solving skills and then connect those skills to concrete physics applications. Quick Quiz and Checkpoint questions provide students with ample opportunity to test their conceptual understanding, while Tips boxes help students avoid common misconceptions. And all Worked Examples feature a two-column format, explaining each step of the solution both conceptually and quantitatively. The innovative technology program is perfectly tailored to support any course design. All end-of-chapter problems, worked examples, checkpoints and quick quizzes are available in WebAssign (enhanced with hints and feedback), allowing instructors to securely create and administer homework assignments in an interactive online environment. For instructors utilizing classroom response technology, a complete suite of questions, pre-formatted in PowerPoint, is available to support the JoinIn on TurningPoint interactive lecture solution, or the clicker software of your choosing. The texts flexible, accessible, and focused presentation, coupled with an extraordinary technology program, gives students and instructors the tools they need to succeed.
