

## Sages Story [The Town of Pearl 5] (Siren Publishing Menage Everlasting)

[Siren Menage Everlasting: Erotic Menage Romantic Suspense, M/F/M/M/M, HEA] Sage Jones is an adrenaline junky. The rush keeps her heart hollow and allows her that slight sensation of feeling an emotion. She's blocked off everyone, yet pretends to be just one of the girls. Until four sexy, hot men penetrate her heart, make her feel things that scare her, arouse her, and show her that not all men cause pain. She's one tough woman, well trained by her family members, and it comes in handy one night when someone tries to abduct her. Virgo, Dale, Quaid, and Matt London break down her defenses and show her that by their side is right where she belongs. But they're not the only ones interested in Sage, and it's too late when they realize the one they are hunting was amongst them, and someone they trusted in the town of Pearl. Can the men get to her in time, or will Sage end up losing the battle once and for all? \*\* A Siren Erotic Romance
