

## The Clerkenwell Writers Asylum

Travel to hell, outer space, Peckham and back for the price of a pint or two. Along the way, visit 1980s Amsterdam, a First World War battlefield and a frozen Scandinavian lake. In this book, assassins dispatch spies. Dangerous women cast spells. Cambridge dons gang up. And TV remotes kill. Weve got survivalists, looters, sleazy motivational speakers and, yes, the Devil. The body count is incalculable. The members of the Clerkenwell Writers Asylum have published their work in magazines, online journals and adverts and presented it before actual paying audiences. Their stories collide here in print for the first time.
