

The Rose of Tibet

I hadn't realised how much I had missed the genuine adventure story until I read *The Rose of Tibet*. A filmmaker is reported dead near Mount Everest. His brother, Charles Houston, is convinced he's alive and is determined to find him. It's a dangerous expedition. He travels from India to the forbidden land of Tibet. In the Yamdring monastery, he discovers an emerald treasure guarded by a woman with a deadly secret. But the Chinese army is coming. Thrilling ... a perilous journey across Tibet in search of [a] missing brother. Jake Kerridge, Telegraph
