

This Is How You Lose Her Deluxe Edition

A must-have collectors edition of Junot Diazs bestseller and National Book Award finalist, brilliantly illustrated by celebrated comic artist Jaime Hernandez. A major New York Times bestseller and a finalist for the National Book Award, This Is How You Lose Her is Pulitzer Prize-winner Junot Diazs celebration of love in all its facets: obsessive love, illicit love, fading love, maternal love. For this gorgeous new edition, Jaime Hernandez deemed one of the twentieth centurys most significant comic creators has crafted stunning full-page illustrations, one for each story, that brilliantly capture the love-haunted spirit of the book and of the gutsy women whom irrepressible, irresistible Yunion loves and loses. A true work of art, inside and out, this is a keepsake that fans will treasure and new readers will delight in discovering.
