

Gone (Wake Trilogy Book 3)

Things should be great for Janieshe has graduated from high school and is spending her summer with Cabel, the guy shes totally in love with. But deep down shes panicking about how shes going to survive her future when getting sucked into other peoples dreams is really starting to take its toll. Things get even more complicated when she meets her father for the very first time and hes in a coma. As Janie uncovers his secret past, she begins to realize that the choice thought she had has more dire consequences than she ever imagined.
