

## Cadiz (Spanish Edition)

Cadiz es la octava novela de la primera serie de los Episodios Nacionales de Benito Perez Galdos. Continúa con el relato novelado de la Guerra de Independencia entre España y Francia. En esta entrega se hace una pausa en la descripción de las hazañas bélicas para centrar la acción en la relación entre el protagonista, Gabriel de Araceli, y su amada Inés, con el trasfondo histórico de las Cortes de Cadiz de 1812 en pleno asedio de las tropas francesas.
