

The Days Between

Wed been here a thousand times together but not for a decade. Back in the beginning, this had been the one place where Id let our touches and caresses slip past our solid friendship, where Id dropped all boundaries and exposed my truth to him. On the dance floor wed been lovers for all time and we stepped back into the past like we hadnt lost a single moment. What if the one who got away found their way home? Two people. One day. One love affair to last them a lifetime and beyond. After a chance encounter reunites two lovers a decade later, they risk their broken hearts, determined to make up for past mistakes that tore them apart. But life isnt easy like those carefree college days. Now, careers and lives and miles conspire against them. Will love be enough this time? Or will they forever be ill-fated lovers caught in the crosshairs of life? The Days Between is a must read for anyone whos ever wondered what might have been.
