Jim Harrison takes us on a journey of the human heart in three new novellas. Julip follows a bright and resourceful young woman as she tries to spring her brother from a Florida jail after he shot three of her former lovers below the belt. The Seven-Ounce Man continues the picaresque adventures of Brown Dog, a Michigan scoundrel who loves to eat, drink, and chase women, all while sailing along in the bottom 10 percent. The Beige Dolorosa is the haunting tale of an academic who, recovering from the repercussions of a sexual-harassment scandal, turns to the natural world for solace.
