

Celeste (Gemini Book 1)

He was her mirror image. Now the mirror has cracked. Celeste and her twin brother, Noble, are as close as can be -- until a tragic accident takes Nobles life. Its a loss that pushes their mother, a woman obsessed with New Age superstitions, over the edge... Desperate to keep her son alive, Celestes mother forces her to cut her hair, wear boys clothes, and take on Nobles identity. Celeste has virtually disappeared -- until a handsome boy moves in next door, and Celeste will risk her mothers wrath to let herself come back to life.
