

Central Bark at Christmas (Dog Tails Book 1)

Sweet, short Christmas story to warm your holiday heart! When Tennyson's boyfriend left her for her best friend from high-school, all Tennyson received in the break up was her dog. She's sworn off men and now is rebuilding her life. The only thing Par does is work. He barely has time to do anything he wants for himself other than take his dog to the dog park. When Par and Tennyson find an abandoned dog at the park named Duke. Will they find room in their hearts to take him in? And can this Christmas season weave some special magic for the two of them?
