

An Awaited Reckoning - Chapter 1: Prologue (45 A.D) & Chapter One (December, 21, 2010) (Solstice Moon Series)

Chapter 1 - December 21, 2010 Devons life takes a terrible turn on the night of the solstice lunar eclipse: the 21st of December. A night of terror that will change her life forever; for death is only the beginning. This story is about life, death, and rebirth. A realization that no ones consciousness is without its regrets, that love is not always eternal... and yet through suffering comes the ability to find ones self, to achieve the strength to fight for something worth living, and above all else, never give up. Prologue - 45 A.D I glimpse back in time to the ancestry and origin of where it all began.
