

Christmas for One (No Greater Love)

As a child, Meg always dreamed of the perfect Christmas... This year, she can make it come true for her own little boy. There will be turkey and all the trimmings, a glittering tree, and a stocking hung up by a roaring fire. Who cares if there's no devoted husband in the picture? She and Lucas will be just fine on their own. But then a chance meeting with a stranger in New York unravels everything she planned. Will Meg finally get everything she wished for? Or will she be alone this Christmas after all?
