

The Coldest Mile

Raised to be a thief and getaway driver, Chase left the bent life after he found his true love, Lila. For ten years he walked the straight and narrow until Lila was murdered. Now Chase is looking for his grandfather Jonah, the stone-cold-killer con man who raised him and is the last living repository of his family's darkest secrets. In returning to his criminal roots, Chase hopes to save Jonah's infant daughter from the life that Chase himself can't escape. But first he'll need a score. Chase thinks he's found it as a driver for a dysfunctional crime family that's anything but organized. With the Langans patriarch dying, the once powerful syndicate may unravel before Chase can rip it off. If he survives the bloodbath to come, he'll face an even uglier showdown. Because his grandfather Jonah is waiting for him at the coldest family reunion this side of hell.
