

Collected Poems

2012 Reprint of Original 1957 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Includes three poems: Chamber Music, Pomes Penyeach and Ecce Puer. Joyce is considered one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses* (1922), a landmark work in which the episodes of Homer's *Odyssey* are paralleled in an array of contrasting literary styles, perhaps most prominently the stream of consciousness technique he perfected. Joyce also published a number of books of poetry. His first full-length poetry collection *Chamber Music* (referring, Joyce explained, to the sound of urine hitting the side of a chamber pot) consisted of 36 short lyrics. Other poetry Joyce published in his lifetime includes *Gas From A Burner* (1912), *Pomes Penyeach* (1927) and *Ecce Puer* (written in 1932 to mark the birth of his grandson and the recent death of his father). It was published by the Black Sun Press in *Collected Poems* (1936).
