

## Dark Horse

Crusading Texas lawyer Mitch Dutton is running for the U.S. Congress. Young, handsome, charismatic, he has a charming wife and the TV cameras love him. But South County belongs to George Hurricane Hammond, the incumbent Republican war-horse who has his party's nomination all but sewn up. Then the great man dies in a riding accident on Primary Day. Suddenly Mitch Dutton is The Man: the Democratic candidate for Congress and a virtual shoo-in come November. With his election assured, now he can address the important issues, keep to the high road and run a good, clean campaign. But his opposition has different ideas. An obscure local election rule gave Shakespeare McCann the Republican nomination - an almost total unknown, a dark horse candidate with no pasviolence ...and death. Candidate Dutton has seen the true face of his opponent - and it is the terrifying face of a psychopath. The Dark Horse is gaining - and there is nothing he wont do to get elected. Nothing.
