

Complicated Love, Another Mans Treasure 3 (Romance in the Hood) (Complicated Love Another Mans Treasure)

Madison has been through hell on earth but managed to pull through with the love and support of a good man. Chris has vowed to love and support her for the rest of their lives. As they prepare to begin their new lives together, trouble just happens to be waiting to rear its ugly head. Their honeymoon is cut short as they rush back in town to deal with yet another tragedy. Jazzmine, Knighten and Mahagony need her now more than ever before. Jazzmine nearly lost her mind when her mother was missing but now that Madison has been found she is free to enjoy life with Marcus. Marcus wants to give her the world and has the money to do it. Jazzmine decides to look the other way not focusing on how Marcus earns his money. Even though she's not paying attention, her father is. He is not only paying attention, but he is also plotting on how to get his share of the money that's rolling in. When her dad comes up missing, she can't help but to wonder if Marcus had something to do with it. Knighten has his hands full dealing with his baby mama from hell. As he tries to focus on the upcoming draft, he has to also deal with the adjustments of being a new dad to his daughter with Yolanda. Knighten wished he could have a do over. Never again would he sleep with a woman without using protection unless it was his wife. Juggling an NFL career, a girlfriend and a baby mama has made him rethink life and the decisions he has made.

Mahagony is focusing on school and working hard to complete her degree but she still finds time for a new love interest. Tyree seems like the perfect catch, but one night at a party threatens to ruin their chances of happiness before it even starts. Come along on this final journey as Madison, Jazzmine, Knighten and Mahogny find out that things aren't always as they seem.
