

Conceptual Physical Science, Books a la Carte Plus MasteringPhysics with eText -- Access Card Package (5th Edition)

Books a la Carte are unbound, three-hole-punch versions of the textbook. This lower cost option is easy to transport and comes with same access code or media that would be packaged with the bound book. Conceptual Physical Science, Fifth Edition, the bestselling physical science book is now available with MasteringPhysics the most advanced physics homework and tutorial system available. This engaging book takes learning physical science to a new level by combining Hewitt's leading conceptual approach with a friendly writing style, strong integration of the sciences, more quantitative coverage, and a wealth of media resources to help professors in class, and students out of class. It provides a conceptual overview of basic, essential topics in physics, chemistry, earth science, and astronomy with optional quantitative coverage. This package contains: MasteringPhysics Student Access Code Card Conceptual Physical Science, Fifth Edition Books a la Carte Edition
