Shes spunky. Shes scrappy Shes sharp. Shes seven. And now shes seeking answers. Having lived her entire life in seclusion, Mui is eager to explore the outside world. Compounding her solitude are the Black Wolfs efforts to keep her hidden from Sei. But his luck may be running out. Sei realizes there is still one person alive who can help her locate her daughter. It wont be an easy mission this person has no reason to tell her what he knows. In fact, hes behind the borders of a country that wants to see her dead. How much longer can the Wolf keep Sei away? How much longer before Mui discovers the truth?
