

Fiction River: Past Crime (Fiction River: An Original Anthology Magazine) (Volume 10)

Laws change from culture to culture, decade to decade. Strange laws make criminals of ordinary citizens. Like the Massachusetts woman whose brother asks her for help, slave hunters at his heels. Or the Chinese immigrant who finds himself in the middle of a crooked game of Fan Tan. Or the Native American detective searching New Yorks Stonewall Bar for a ratfink on the night of a world-changing riot. These stories and more prove that once again, Fiction Rivers crime volumes have, in the words of Ellery Queen Mystery Magazine, high quality throughout. Meeting the exceptional quality of previous anthologies, this collection contains excellent past crimes short stories.
