

Meat House: a science fiction short story (from Terry Persuns short story collection Book 2)

Desmond finds that the streets are too violent and dangerous for him, and his work income can hardly pay for his needs. But the company has an offer for him. All he has to do is give up something... This story was originally published in a small independent magazine that is no longer publishing. For readers of science fiction short stories, fantasy short stories, and horror short stories, as well as those who enjoy mystery short stories, strange short stories, thriller short stories, or suspense short stories. There are also flash fiction pieces in this series for people who enjoy flash fiction.
