Three full-length thrillers (The Devils Bounty, The Innocent, Fire Point) from award-nominated, bestselling author Sean Black. This series is ace. There are deservedly strong Lee Child comparisons as the author is also a Brit, his novels US-based, his character appealing, and his publisher the same ? Sarah Broadhurst, Bookseller The pace of Lee Child, and the heart of Harlan Coben ? Joseph Finder, New York Times Bestseller (Paranoia, Buried Secrets) The Devils Bounty Convicted of a series of horrific crimes against young college students in upscale Santa Barbara, wealthy playboy Charlie Mendez has fled across the US border into Mexico. As one bounty hunter after another meets a grisly end at the hands of the murderous drug cartel his family have hired to keep him safe, it seems that Mendez is one fugitive destined to remain beyond the reach of the law. The Innocent When college basketball coach Malik Shaw goes missing after a family tragedy, it looks like just another retired athlete gone off the rails. But Maliks childhood friend, private security specialist Ty Johnson, quickly begins to suspect that there is more to it. Fire Point Ryan Lock and Ty Johnson are in Los Angeles and on the trail of an unlikely cult who are planning on taking their message to the world in the most devastating fashion imaginable.
