

## Night Music: Nocturnes 2

Fans of THE BOOK OF LOST THINGS and NOCTURNES will be delighted with this superbly crafted collection of short stories of the supernatural from John Connolly. A decade after NOCTURNES first terrified and delighted readers, John Connolly, bestselling author of thirteen acclaimed thrillers featuring private investigator Charlie Parker, gives us a second volume of tales of the supernatural. From stories of the monstrous for dark winter nights to fables of fantastic libraries and haunted books, from a tender narrative of love after death to a frank, personal and revealing account of the authors affection for myths of ghosts and demons, this is a collection that will surprise, delight - and terrify. NIGHT MUSIC also contains two novellas: the multi-award-winning THE CAXTON PRIVATE LENDING LIBRARY & BOOK DEPOSITORY, and THE FRACTURED ATLAS, featuring The Wanderer in Unknown Realms, previously published as an ebook, developed here into a five-part novella. NIGHT MUSIC: NOCTURNES 2 is a masterly collection to be read with the lights on - menace has never been so seductive.
