

Pulp Ink 2

You live in a world of god-awful sequels. Indiana Jones and the Kingdom of the Crystal Skull. Blues Brothers 2000. Scary Movie 2. Its rough out there. But have no fearheres one sequel that hasnt been drained of life by roving hordes of soulless studio execs. Pulp Ink 2s got beautiful killers, visions of the apocalypse, blood-thirsty rats, and one severed arm on a quest for revenge. No half-assed reboots here, just some of the finest writing in crime and horror today. Featuring stories by Kevin Brown, Mike Miner, Eric Beetner, Heath Lowrance, Matthew C. Funk, Richard Godwin, Cindy Rosmus, Christopher Black, Andrez Bergen, James Everington, W. D. County, Julia Madeleine, Kieran Shea, Joe Clifford, Katherine Tomlinson, R. Benoit Lelievre of Dead End Follies This anthology shone so brightly that I felt I had to wear shades when reading it This is up there with the best of them and possibly my most enjoyable read this year. Darren Sant of Dazs Short Book Reviews Murder and madness, sex and seduction, revenge and redemption, Pulp Ink has a little bit of everything going on. Elizabeth White of Book Reviews by Elizabeth A.
