

The Lost Canvas (Action & Adventure Novella)

Fast action, Nazi secrets, and a woman searching for a priceless treasure lost during the second World War. A modern day Robin Hood, Adriana Villa is no typical thief. She only steals from those who have stolen. Now she is on the trail of a priceless painting, confiscated by the Nazis during World War II. With the help of a friend, she learns the lost painting has more value than she initially thought and the secret behind it could rewrite history. The Lost Canvas is a short story companion book to Ernest Dempsey's full-length thriller, The Clerics Vault.
