

Ryan Chase left Fairbanks, Alaska, when she was 21 years old to pursue her dream of becoming an actress. Somewhere along the way her dreams of stardom crashed and burned, along with her life. Thirteen years later she is forced to return to Fairbanks because her unforgiving and emotionally-distant father has suddenly died. Ryan seizes the opportunity to not only escape her abusive husband but to be able to attend her best friends wedding. What could go wrong? Its only Fairbanks, Alaska... While wishing she was anywhere but her fathers funeral and wake, Ryan is struck senseless by a stunning, drop-dead gorgeous man. Her thoughts turn carnal and she desperately wants to know him in every way—and position—possible. Theres only one problem... Hes the devils spawn. Hes the one who marked her for life. Hes the kid she used to baby-sit. And hes hotter than hell! Shea Michaels has loved Ryan Chase for most of his life. After surviving an unspeakable childhood, he became a man of whom she could be proud of...if she ever came back. Now that shes returned, Shea pursues her with a vengeance, undaunted by the thirteen year age difference that Ryan uses as the shield between them. Confusion, guilt and lust bombard Ryan as she battles the memories of the little boy she used to know while still being drawn to the heart-stopping man he has become.
