[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, demons] Victor Marius has watched as three of his brothers and some of their friends found their mates. He is happy for them. He truly is. But, as the oldest brother, he had thought that he would have found his mate by now. Malachi is half demon, and he has known nothing but pain and horror. Finding a chance to flee the cave where hes been a prisoner since birth, Malachi runs until the sun and its harmful rays take him down. When Victor sees the man lying on the side of the road, he stops to help but realizes somethings not right. Hes a demon. The man may smell like a demon, but he also smells like something else entirely...Victors mate. Can Victor get past Malachi being half demon, and how can a soulless demon have a mate? ** A Siren Erotic Romance
