

Dark Moon Lilith (Step 4 in the Witches Anonymous paranormal romance series)

Ex-witch Amy Atwood is on probation from Witches Anonymous for slipping off the magic-free band wagon. Her love life is also on probation and her sexy, irresistible ex, Lucifer, is tempting her to hex it up with him again. On top of that, her ice cream shop is losing money faster than ice cream melts in July, thanks to a rotten economy and an archangel whos eating up all her profits. Struggling to save her shop and stick to her magic-free oath, Amy commits to Step 4 of Witches Anonymous examining her moral character. Unfortunately, Lilith, the Queen of Hell, wants Lucifer back and has decided to test more than Amys morals. Lilith sends three assassins after Amy. One to poison her, another to burn her apartment to ashes, and the third is taking Amy to Hell. Will Amy live to see another day? Or will she team up with Lucifer to kick Lilith out of Hell and become queen herself? 50,558 words Other stories in this series: Witches Anonymous, A Tickle My Fantasy story (Samhain Publishing) Jingle Hells, Witches Anonymous Step 2 Wicked Souls, Witches Anonymous Step 3
