

When the young chief of police of Blackwater, Texas discovers a body surrounded by ritualistic magic and the prints of extinct wolves he forced to confront his worst fear - that he never really solved the murder of his wife and brother two years ago. Now with a hurricane gunning for Blackwater, the chief, a rational man, must lead his friends and family to higher ground, battling drug-dealing werewolves, fighting familiar zombies, uncovering, and discovering magic and faith are all around us.
