

The Price (The Black Thunder Series) (Volume 2)

The Saga Continues... After the birth of their first child, life between Jack and Kate McBride couldn't be more perfect. That is until Kate's mother appears and threatens to tear their world apart. Jack has met his match in Marne St. Claire, the scheming and all-controlling mother-in-law who is determined to pull her daughter away from the crude and overbearing cowboy, and re-unite her with her sophisticated ex-husband. It could cost Jack more than his sanity as deception yields a deadly hand, not only threatening his relationship with Kate but also threatening her life. This is a heartwarming tale about love, sacrifice and the price of a man's soul who will do anything to save the woman he loves.
