

Massacre Revealed (Deadly Dreams Trilogy Book 2)

A vampire. A college campus. A shooter. Sometimes, dreams do come true, but for a vampire with premonitions, that's not always a good thing. Hunter Simon is a vampire and a crisis counselor for drug addicts. He's also previously had dreams that predicted the future. Bad dreams. After Hunter dreams about a mass shooting at a college, he comes face to face with one of the students from his dream and he's the future shooter. Hunter has only a short time to investigate and act, but he has a big problem of his own. The shooting in his dream takes place outdoors in the daytime and sunlight exposure is a vampire's worst-case scenario. Can he find a solution to his daylight dilemma and change the path of a disturbed student before he unleashes his fury on the campus and becomes a mass murderer? Hunter must use his vampire powers and his professional knowledge to save one life in order to spare many lives but can he do it before it's too late? **MASSACRE REVEALED** is the second exciting novel in the Deadly Dreams paranormal series by bestselling vampire author H.T. Night.
