

Dear Arial,

Dear Arial,

In Eberville, Louisiana, a widowed mother weeps over the recent death of her son. People are calling the tragedy an accident. Stella Voss, the boys mother, is screaming murder. When the towns sheriff is unable to prove her suspicions correct, Stella takes matters into her own hands. And support is only a letter away from her mailbox. Rumored to be one of the last of the Moss Hill Witches, Ariel Bordeaux is possibly Stellas answer for revenge. Ariel agrees to Stellas wishes only in exchange for information leading to a shotgun-wielding psychopath whos been mailing her threatening letters from Eberville. Ariel knows she must stop him before he fulfills his evil desires.
