

Death Minus Zero (Sam Taylor Mysteries)

Sam Turner, twice-married Bob Dylan fan with a drink problem, is doing all right for himself - for a change. Hes got an office and a staff now, even if thats only former street kid Geordie, unemployed former snooker player and womaniser Gus, and retired English teacher Celia. Hes even got a client. What Sam doesnt know is that his client, Norman, is on the run, an escaped psychopath who kills with no compunction at all...Baker takes more risks than many writers would dare and triumphs. - Manchester Evening News.
