

Death Notes: Obituary- Book 2

There's only one more life to take. Homicide Detective Adila Cooper has dedicated her life to uphold the law. But with the Baltimore Scribe still on the loose the lines of justice have blurred. Now, Cooper must step into a lawless world, void of order and rules. She will cross over into a criminal world that she's spent her entire career trying to destroy. And in this world, the killer is king.
