

The Fay Cunningham Mysteries (A Dangerous Woman, Deadly Arrows)

Two Fay Cunningham Mystery Novels in one book. A Dangerous Woman-Book 1 Fay Cunningham, publisher of a small-town Pennsylvania newspaper, is having a well-deserved midlife crisis. Both nicotine-and calorie-deprived, she stays busy delivering the paper she publishes in order to get closer to her customer base, craving inspiration, a smoke, and a cheeseburger. But she discovers something odd going on behind the closed doors of her trusted friend Joe Wise. Like, where is he and who is the mysterious blonde rudely blocking Fays entry to his house? Adding to the puzzle, Fay learns that Joes brother and biggest rival, Thomas, has just died under strange circumstances. Joe was Fays professional benefactor and her journalistic instincts kick into overdrive. But first, she has to get past Angel, Joes hostile and secretive new companion. And when Fays questions get too personal, a killer makes lethal plans to send Fay into permanent retirement. Deadly Arrows-Book 2 In this second book, Fay is in big trouble again. Shes thrown into the investigation of an archery murder and must convince a young whippersnapper police officer the arrow that smacked into a tree next to her didnt come from a hunter who mistook her for a deer. Fay must prove it with lightning speed before the next arrow lands her six feet under.
