

## Voyeur & Other Stories: flash fiction short stories (from Terry Persuns short story collection Book 9)

Flash fiction: There are several stories in this volume, including contemporary stories, science fiction, and strange vignettes. NOTE: This story was previously published in a small, independent magazine that is no longer available. For readers of science fiction short stories, fantasy short stories, and horror short stories, as well as those who enjoy mystery short stories, strange short stories, thriller short stories, or suspense short stories. There are also flash fiction pieces in this series for people who enjoy flash fiction.
