DAngelo Marcus is now faced with figuring out who he wants to be in the future. After being betrayed by Slim, the only father that he has known. DAngelo was also hit with finding out that his mother Lana is on drugs. DAngelo has major issues with Slim replacing him with his biological son Roco. After taking half of Slims hoes DAngelo is trying to juggle setting up his empire, handling female relationships, dealing with temptation, and keeping his emotions in place. In a short period of time DAngelo experiences more betrayal, love, hate, lies, and disappointment. Will these milestones change DAngelo or will he turn out to be the pimp that Slim has groomed him to be?
