

Lead Me From Temptation (Divine Darkness Book 1)

Indie Luce is burnt out, broke and Divinely Marked. A hospice nurse acutely aware of the Spirit World around her, she tries desperately to piece her life together after the suicide of her twin brother just one year ago. Taking a position to provide end-of-life care for one of the most powerful men in the world, she finds herself unknowingly in a battle for her sanity and more importantly her soul. As a spiritual war rages silently onward, descendants of those like Indie are systematically tempted and taken and the momentum to tip the scale into depravity becomes impossible to stop. What Indie Luce doesn't know about her past could place her future in the hands of Darkness. Can the light of one selfless young woman hold the key to the delicate balance of good and evil? She is only one. But what if one is all that is needed?
