

NOTE: This edition has a linked Table of Contents and has been beautifully formatted (searchable and interlinked) to work on your Amazon e-book reader or iPod e-book reader. O. Henry (pen name of William Sydney Porter) was called the American answer to Guy de Maupassant, but O. Henry stories were much more playful and optimistic. His stories are also well known for witty narration. O. Henry's work provides one of the best examples of catching the entire flavor of an age. Whether roaming the cattle-lands of Texas, exploring the art of the gentle grafter, or investigating the tensions of class and wealth in turn-of-the-century New York, O. Henry had an inimitable hand for isolating some element of society and describing it with an incredible economy and grace of language. To O. Henry, everyone in New York was special in some way. Some of his best known stories included in this collection are: The Green Door - Rudolf Steiner is handed an advertisement for an establishment named The Green Door. He enters a green door where he finds himself deciding that the unexpected things in life are what make it so special... The Gift of the Magi - about a young couple who are short of money but desperately want to buy each other Christmas gifts. Unbeknownst to Jim, Della sells her most valuable possession, her beautiful hair, in order to buy a platinum chain for Jim's watch... The Cop and the Anthem - New York City hobo, Soapy, sets out to get arrested so he can avoid sleeping in the cold winter as a guest of the city jail... After Twenty Years - set on a dark street in New York, focuses on a man named Silky Bob who is fulfilling an appointment made 20 years ago to meet his friend Jimmy at a restaurant... Stories included in this collection are: The Four Million - Tobin's Palm - The Gift of the Magi - A Cosmopolite in a Cafe - Between Rounds - The Skylight Room - A Service of Love - The Coming-Out of Magi - Man About Town - The Cop and the Anthem - An Adjustment of Nature - Memoirs of a Yellow Dog - The Love-Philtre of Ikey Schoenstein - Mammon and the Archer - Springtime a la Cart - The Green Door - From the Cabbys Seat - An Unfinished Story - The Caliph, Cupid and the Clock - Sisters of the Golden Circle - The Romance of a Busy Broker - After Twenty Years - Lost on Dress Parade - By Courier - The Furnished Room - The Brief Debut of Tildy - The Voice of the City: Further Stories of the Four Million - The Voice Of The City - The Complete Life Of John Hopkins - A Lickpenny Lover - Dougherty's Eye-Opener - Little Speck In Garnered Fruit - The Harbinger - While The Auto Waits - A Comedy In Rubber - One Thousand Dollars - The Defeat Of The City - The Shocks Of Doom - The Plutonian Fire - Nemesis And The Candy Man - Squaring The Circle - Roses, Ruses And Romance - The City Of Dreadful Night - The Easter Of The Soul - The Fool-Killer - Transients In Arcadia - The Rathskeller And The Rose - The Clarion Call - Extradited From Bohemia - A Philistine In Bohemia - From Each According To His Ability - The Memento - A must-read for classic literature fans!
