****DUE TO AMAZONS NEW PAY METHOD PLEASE SCROLL TO 100% OF BOOK SO AUTHORS CAN GET CREDIT FOR PURCHASE***** WHAT HAPPENS WHEN YOU ARE FORCED TO ADAPT OR DIE?? After escaping from a group home where rape and abuse were the norm, 13 year old Chase Dior finds a home with Thomas and Saundra Robinson. Life seems to have dealt Chase a new hand with a second chance until she is thrown back into a whirlwind of bullshit. Thomas promises to teach Chase how to survive on her own, but his approach errs more on the side of demonic and cruel as he pimps her out to the highest bidder in exchange for a roof over her head, high priced clothes, and food in her stomach. Chase learns to adapt, but finds herself loyal and in love with Thomas as he finds new ways to control and manipulate her. Soon Chase is thrust into a world of drugs, money, and sex where she meets Teegan. Fueled with dreams of freedom and a lavish lifestyle Chase and Teegan use their beauty and street skills to get what they want. When Chase catches the eye of Qing, a handsome street thug turned entrepreneur, she starts to see the cracks in her dark, twisted world. What happens when the dreams of one bad bitch turns into the nightmares of another?
