

Drifter: Part Two - A Sam Prichard Mystery Thriller

USA TODAY & AMAZON #1 BESTSELLING AUTHOR ONE OF THE BEST NEW VOICES IN THE ACTION THRILLER GENRE With over 250,000 books sold, and well over 1,000 five star reviews on Amazon, the Sam Prichard series is quickly storming the charts. David Archers ability to create exciting, page-turning, action and suspense is second to none. Fans cant get enough of it, but dont take my word for it though. See what all the fuss is about before Archer becomes a household name! THE CIA, A DEAD ASSASSIN, AND THE ANTI-CHRIST?... GUESS ITS TIME TO CALL SAM PRICHARD Sam Prichard is on his way to the most unbelievable mission any PI could ever blunder into--to stop a madman who thinks he is the Antichrist! The only problem is that this madman is smart, smart enough that hes been working toward this goal for many years, and never gotten caught. To make matters worse, theres no one to whom Sam can turn, because everyone in politics owes this man favors, and fears the day he reveals what he knows. With just a former CIA assassin at his side and a determination to save his country and the thousands that the madman is prepared to sacrifice to his false gods, Sam Prichard must go to the ends of the earth to try to stop the end of the world!
