

## One Fall

With one kick, Joey Hamilton has sent the world of professional wrestling into chaos. In his first World Title match, on national television, Joey botched a simple maneuver, turning a scripted wrestling match into a nightmarish reality. Now the World Champion is injured and the locker room is in tatters. With the top spot open, veteran wrestlers are jockeying for position, hoping to become the next megastar, and Joey is their target. With a unique look behind the scenes at America's most violent dramatic art, One Fall shows the world of professional wrestling in its rawest form. It is a world of violence, drug abuse, backstabbing, and desperation. But it is also a world of pride, honor, guts, and most of all, passion.
