

Dying to Return: The Station Series 3

Dying to Return is the 3rd book in the YA/NA Fantasy, The Station Series. Piper Willows adventure in the afterlife continues as she struggles to discover who she is and what is expected of her. Faced with decisions that could change everything, she must weigh her desire to be with the ones she has come to love, or satisfy her curiosity and find out what lies beyond her world with someone new. What Piper experiences and the choices she makes could not only alter the delicate inner workings of the Station, but the delicate balance that Piper has managed to maintain inside herself. In the end, will it all be worth it?
