

Echoes of Memory

John O'Donohue won hundreds of thousands of admirers with his now classic work on Celtic spirituality, *Anam Cara*. Just as *To Bless the Space Between Us* was being published, he died suddenly at the age of fifty-two. His powerfully wise and lyrical voice is profoundly missed, but his many readers are now given a special opportunity to revisit John in his first book, a collection of poetry. O'Donohue's readers know him as both a spiritual guide and a poet. In the same spirit as his bestselling works, readers will be inspired yet again by John's depth of wisdom and artistry.
